Dear Members.

It is a privilege and an honor to recommend John W Harris to you for reelection as a Board Of Director in Wyoming Wild Sheep Foundation. JW has successfully completed two terms already and has demonstrated the interest to serve another two years.

John is a Ramshorn Society Life member(#195) who has served as the Board's legislative chair, acting Treasurer and as a member of several banquet committees. John's love of Wild Sheep is known to all, after all he was the President of FNAWS itself in 1989-1991. This was a difficult time in the FNAWS history and JW learned to deal with and make tough decisions that saved the organization that has become the Wild Sheep Foundation.

Please be sure to reelect John W Harris to the Wyoming Wild Sheep Foundation Board of Directors this Spring when your ballot arrives.

Sincerely,

A handwritten signature in cursive script that reads "Dean DiJenno".
