

Kurt Eisenach

Dear Membership:

I am writing this with a high recommendation to re-appoint Kurt Eisenach to continue serving the WY WSF Board. Kurt has been a very dedicated board member since he was first elected in 2015. During these years he served two terms as President. Kurt takes being a volunteer very seriously. He always makes sure that he sets aside time for the Chapter. Too many people get elected to the Board and then find out how much work is involved and quit the board. Don't pass up this opportunity to keep a hard-working person on the WY WSF board.
