

Pat Pace

Dear Membership:

Pat Pace is up for re-election on the WY WSF Board. Pat was elected in 2019 and has served diligently on the Board. The hardest position and the toughest to fill is Treasurer. When we were informed that Joni Miller was going to retire, it gave everyone something to seriously think about. Thank goodness Pat offered to take this position and his wife offered to help. If we lose this team off our board, it is going to be extremely hard to find a replacement. It would not only be hard to find a replacement, but very hard to keep another person on the Board when they find out how much work it is. Please do not pass up this opportunity to re-elect Pat Pace back to your WY WSF Board.
