The Honorable Mark Gordon
Governor of Wyoming
State Capital
200 West 24th Street
Cheyenne, WY 82002

To the Honorable Mark Gordon,

This letter is an acknowledgement of my commitment to support the Sweetwater Rocks Initiative (SRI) and the return of bighorn sheep into the Sweetwater Rocks of central Wyoming. Efforts like the SRI enhance and conserve wildlife and their habitats throughout Wyoming providing benefit to the species, their environment, and all who appreciate and love the natural beauty of Wyoming.

By *“putting more wild sheep on the mountain,”* we are creating healthy bighorn sheep populations, promoting Wyoming’s hunting heritage, and furthering wildlife stewardship to ensure future conservation of the species. There is no better place in Wyoming than the Sweetwater Rocks to accomplish this reintroduction and support the species.

We ask for your support of the SRI as an opportunity to build upon your legacy of *“building a stronger, more resilient state ... while ensuring Wyoming’s wildlife and natural resources are managed for future generations.”* The time has come to return bighorn sheep into the Sweetwater Rocks.

Sincerely,
