To Whom it May Concern,

I would like to take this opportunity to give my highest recommendation for Danyelle Pace to serve on the WY-WSF Board of Directors. For the many years I have known her, She has selflessly given countless hours for the betterment of wild sheep. From on the ground work of fencing and habitat improvement to assisting with capturing sheep, She has shown up and given her all. Not to mention the very important work of Treasurer and assisting with numerous banquets and other key fundraising efforts year after year after year. I can't think of a better representative for WY-WSF or wild sheep, Her character and commitment demonstrate the highest standard .
