Dear Members of WY-WSF.

It has been my pleasure to work with Board of Director candidate, Jimmy Owens, for the past 5 years. He has proven himself to be hard-working, loyal and dedicated to the mission of our chapter. In addition, he has often donated to the cause including multiple hunts for wounded servicemen. He is uniquely qualified to be a board member having grown up on a working sheep ranch and because he makes his living as an outfitter. His presence on the board lends credibility to the chapter with our outfitting partners in organizations such as Wyoming Outfitters and Guides Association upon which he also serves. Jimmy has held multiple positions for our chapter including silent auction, different games, and the gun committee. He is a proven solicitor and has brought tens of thousands of dollars in donations to the chapter.

I highly recommend Jimmy for a third term as board of director of Wyoming Wild Sheep Foundation and urge you to vote for him.

Sincerely,
